

Statutory Compliance Calendar

Month-by-month due dates for Indian businesses
October 2026 – September 2027

How to use this calendar

Your 12-month statutory calendar

Each month lists the recurring deadlines that apply every month, followed by the dates specific to that month. Dates are the statutory due dates as of 23 September 2026. Government extensions are announced from time to time, and some obligations depend on your entity type, turnover, headcount or state. Use this as a planning tool and confirm what applies to your business.

What changed on 1 April 2026

The Income-tax Act, 2025 and the Income-tax Rules, 2026 replaced the 1961 Act for income from 1 April 2026. Due dates for TDS returns are unchanged, but most form numbers are new. Returns for periods up to 31 March 2026 stay on the old forms, even when filed later.
